Meet the Administrative Assistant... Barbara Kundus

I began working at Hiram just a few months before my only child started his first year here. What I enjoy most is not only helping the students with their "career" issues but getting to be a substitute "mom" too. My favorite Career Center event is when the students get to decorate their own holiday sugar cookies!

Meet the Director... Kathryn Craig

I am a career educator with many years of experience advising Hiram's liberal arts students. I especially enjoy working with students with many diverse interests. My favorite Career Center events are networking events where I can connect current students with Hiram alums and employers.
