

APPLICATION FOR THE FRIENDLY FAMILY PROGRAM

Numerous families in the Hiram area are interested in hosting international students. There is no cost to the student for this program, and it is a great way to learn more about the U.S. and feel connected to the community.

If you would like to participate, please complete this form and send it to the Office for International Student Services. Every effort is made to match students with families who have compatible interests. Your preferences are accommodated as much as is possible.
