

DISABILITY SUPPORT SERVICES ACCOMMODATION INFORMATION

Hello,

Welcome to the Hiram College community. We want you to have a positive experience and to have the support needed for access to the educational opportunities available here. In order to request any accommodations/services at Hiram College, you must first provide the Coordinator of Student Disability Services with the Self-Disclosure Form. **Please note that completion of this form does not insure specific accommodations or support services, but serves as your statement of disclosure of a disability to request consideration for accommodations.** In addition, you must provide current, detailed documentation before accommodations will be approved.

Eligibility for reasonable accommodations /services is determined based upon the review of documentation which must substantiate the presence of a disability and assess its current impact on academic performance. This information enables the staff to work more effectively with you in the provision of appropriate supports. Your documentation records are maintained in confidential files in our office and are not a part of your academic record or student files.

Please visit our web site at:

<http://www.hiram.edu/current/studentservices/disabilityservices.html>

to obtain details of documentation requirements. Requirements are also outlined in the brochure included in this publication. If you have any questions, please contact me by phone or email. I will also be available at the Orientation Sessions if you would like to speak with me in person.

I encourage you to contact me when you arrive on campus so that we can discuss your personal situation. I look forward to working with you and wish you great success at Hiram!

Lynn B. Taylor, Ph.D., LPCC
Director of Counseling & Student Disability Services
