

Terrier Welcome Team!

Do you have at least one year at Hiram College under your belt? Are you interested in helping new students transition to Hiram College? If yes, apply to be a member of our new Terrier Welcome Team! Share what you've learned about Hiram and help new students have a successful out of the classroom experience during their first few weeks of college.

We are looking for Hiram students to connect and have high interaction with our new incoming students during Arrival, Institute, and Week of Welcome. You will have the opportunity to assist students who are new to Hiram transition to campus and experience a successful first few weeks of college.

Terrier Welcome Team members play an integral role in creating a warm and welcoming environment for a diverse population of new and transfer students and their families to the Hiram College campus.
