

Hiram College EPP maintains retention data by academic year in order to track persistence of candidates pursuing licensure. Total # admitted indicates candidates successfully meeting the admission requirements of the teacher education program. Candidate performance is then monitored each semester to determine retention in the program. Data below shows a 78% persistence rate of candidates pursuing licensure over the past four academic years.

Retention by Academic Year						
Academic Year	Total # Admitted	Changed Major	Withdrew from College	Removed from teacher educ program	# Still Active or Completed Program	Persistence in program
2015-2016	12	0	1	1	10	83%
2016-2017	11	4	0	0	7	64%
2017-2018	15	2	0	2	11	73%
2018-2019	26	4	0	0	22	85%
Totals	64	10	1	3	50	78%
