

CAMPUS EMERGENCY

In the event of an emergency, be sure to check trusted sources for information:

1. Text messages (students)
2. Hiram email (students)
3. www.hiram.edu (students + parents)
4. Info Line **330.569.5959** (students + parents)
5. News media

During an emergency, the primary responsibility of Hiram staff is to care for the health and safety of students. You may not be able to speak with a staff member individually. Know where to go to get information.

Be prepared in the event of an emergency or catastrophic event. Talk as a family about who your student will call, where your student will go, what your student will do if an emergency strikes Hiram College.
